Dear Sir

Having reviewed the concept plans for the development of Wauviewood Sector 9, it is disappointing to note that the focus of entry and exit to the development is concentrated at the intersection of Orchard St and Fern Creek Road.

It especially concerns us that the traffic flow into Greenville Ave will increase to an unacceptable level placing the many children, some 26, at risk. Especially due to the dog legs in the road that severely restrict vision. This coupled with the fact that the road becomes virtually one way

only when resident cars are parked on both sides.

Greenville Ave is a unique street where residents totally interact with each other and utilize both the road and the grass verges. Any major change in traffic flow will significantly change our environment.

Why cannot an exit be established to Garden St, including a roundabout to facilitate the new residents of the development who have the need to travel north to Mara Vale Rd and beyond. There is provision of a walkway on the plan to Garden St. Expand this to a roadway.

In summary, we believe that the traffic flow proposed will

unfairly impact on the residents
of Fernbrook Sanctuary.

Your response would be appreciated.

Yours faithfully
