RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Given that this location was always a pleasant street-side coffee spot for locals and ferry folk, it seems sad that if both the intended shops remain "No Food Premises" then the outlook for the community is really boring.

Without allowing full on cooking, it should be possible to allow warmed food, coffee, ice creams etc. With a few outside tables and parasols to make the area more fun. Very big as well glad I'm not a neighbour
