RE: DA2020/1489 - 8 Forest Road WARRIEWOOD NSW 2102

I would like to make the following comments regarding the farmhouse on the western edge of the proposed development.

I am opposed to the plan to demolish this building. It is a heritage farmhouse, built in the 1920s that deserves to be repaired and used as a recreational facility for residents on-site and others in the locality.

As the previous Development Approval stated that this building was to be retained, I submit that it should be repaired and maintained for community use.
