To whom it may concern,

As a resident of the Northern Beaches council (8/77 Queenscliff Road, Queenscliff, 2096) I am writing to issue my support of Hugo's Manly's development proposal to extend their outdoor seating area.

Hugo's has been a staple of Manly for years and year, providing outstanding, high quality service. It would be a great disappointment not to see this go ahead.

Kind regards,
Kemba Jessup
