**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I am very concerned about the increased parking on the street as well as the increased traffic. Pittwater RSL does not offer enough on site parking when a popular event is on at the club much less when they use most of their car parking for a market. Mona Vale shopping center is a short distance away and the market would take business from these shops. Markets are available to go to at Rat Park and Narrabeen on a regular basis, another is not needed. The intersection with Vineyard St and Warriewood parade is, on normal conditions, very busy. It would be grid locked if a market was held at Pittwater RSL.
