**RE: DA2018/1708 - 195 Sydney Road FAIRLIGHT NSW 2094**

I own a property at 184 Sydney Road which is directly opposite. I am strongly against the development plans (195-197 Sydney Road. DA 2018/1708) due to the sheer number of units proposed and congestion this will bring to the area.

This will also have a negative impact to the south facing view of the apartments and street parking.
