Good evening Northern Beaches Council,

Re: McDonalds application for a new store in Manly Vale

I strongly object to this proposal solely on the basis that the existing intersection/roundabout of Kenneth Rd & Roseberry St is a traffic nightmare at so many times of the week, especially on Saturdays and between 3-6pm weekdays (when I use it most).

A new McDonalds at this location would add so many more cars to this intersection, and so close to it, which will only exacerbate an already big problem.
