RE: DA2023/1841 77 Bassett Street MONA VALE NSW 2103

As a resident in a nearby street, we already have significant issues with staff from mitre 10 parking in our street, often illegally across double white lines, across or close to driveways making it very difficult to get in and out of the street safely. There are a number of young children in the street including my 2 year old daughter. It is a very narrow street and not set up to accommodate parking for a major retailer. This is already an issue before this proposed expansion. We request that consideration be made to include an enforcement on the business to provide adequate staff parking to ease congestion and frustration on neighbouring streets.
