RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093

As a local resident who frequently uses the bay for paddling, I am extremely concerned about the impact of 100 ft superyachts in this narrow waterway. Not only is the bay home to wildlife including turtles, dolphins and often seals, but it is also a peaceful playground for many watersports. I also worry about implications for sea grass, possible pollution and general aesthetic enjoyment of this great community area.
