RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

I wish to register my continuing objections to this DA, which have not been addressed by the recent minor amendments.

I remain opposed to the proposed alterations to the business which would intensify the use of the site, further strain the parking and traffic facilities in the street and in particular increase trips by large vehicles delivering goods and removing waste. These large vehicles reverse into the site, past my home which has little setback from the street, with reversing alarms sounding and lights flashing. These events are very intrusive as it is, and I have difficulty in accepting that they will not increase once the kiosk is in operation.

I also specifically confirm my objection to the proposed hours of operation, and to the noise which will be generated by operations proposed for the outdoor decking. Neither are appropriate given the residential nature of the area.

Yours Faithfully

Dale Andrijin
