RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

The Organic markets play a key role in bringing fresh organic food into our community, I know there are markets on a Friday in Warriewood but I work on that day and Sundays would be perfect for me.

The markets are a meeting place for friends and family and being held at the weekend it allows all working members of the family to take part, not to mention having a market at the weekend would bring tourism into our community and I'm sure the Pittwater RSL would benefit from having the market on their doorstep.

Markets always have a problem with proper toilet facilities and the RSL club would assist in that area too.

Many Thanks Lee Murphy
