RE: DA2021/2232 - 1851 Pittwater Road BAYVIEW NSW 2104

1. Why haven't residents of Vista Avenue been notified of this DA? Access to the property proposed for development is via Vista Avenue, therefore these residents will be the most directly impacted.

2. There is no actual development application supplied in the online folder. There are multiple reports, but no actual DA. It is essential that Vista Avenue residents are provided with this material.
