Hi (Benjamin Price?)

I've just become aware of this DA. I used to live in 12 Boyle St Balgowlah in the 1980s and it's a classic Federation house which should not be destroyed. It has the original Baltic pine floors and Federation fireplaces with ornate tiles and ceilings - worth a look. The name of the house was "Farrington", and can be seen on early maps, although after I bought it someone removed the nameplate off the front of the house - very annoying.

I'd be happy to talk further, but it would be a tragedy to lose one of the remaining beautiful houses from that era.

Regards Jeremy Thompson - PS I'm a GP up in Balgowlah 0418478210
