RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

After 20 years (1997-2017) of enjoying 7 Norma Rd as a weekender/ holiday house I now regularly come up to Whale Beach in the summer to meet up with friends and have a surf. In the past our family regularly enjoyed the famous hamburgers at Whaleys where the Whale Beach Deli now stands. Over time I have noted the deterioration of the site and a shortage of parking. The proposed development will improve amenities, supply underground parking and I feel will be a big improvement and an asset to Whale Beach. I hope council approves the developer's application.
