RE: Mod2021/0014 - 79 A Lauderdale Avenue FAIRLIGHT NSW 2094

Objection to Modificaiton No. Mod 2021/0014-DA2019/0342

I'm writing to object to the modification plans submitted to council as they are inconsistent with the stamped plans.

The RL 34.78 height limit should be reinstated as it appears in the stamped plans. My view of North Harbour will be significantly affected should the height and size of this addition be increased. This application has been constantly changed and submitted over many years and is causing great stress and concern for the surrounding residents. The white poles that have been sticking out of the roof of this building have been an eye sore for many years and should be removed immediately.
