**RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094**

As a father of a local young family that has frequently used the Manly boat shed for the past 10 years i could not be happier seeing that Treharne family want to give back to the community with a much needed face lift of the premises. The proposal looks amazing and will make it much safer for the community to access the water. The removal of the old noisy slipways really shows the changing of the times and needs of the community as the core of the Manly residents have a major focus on health and recreation, along with improving the beauty of the area and increasing the useable area for public purpose which I think is a huge benefit of the proposal.

In these uncertain times it is amazing to see people are still trying to move forward. I can't wait to enjoy the Manly Boatshed revamp for many decades to come.

Regards
