RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

My husband Peter Purches (local GP) and I (Social Worker) have previous made submissions regarding the application at 16 Bangaroo Street to conduct alterations and additions so as to conduct a Centre-based child care facility. We would not normally concern ourselves with such development applications, however as local citizens we are concerned that the establishment of a child care centre at the identified location is inappropriate and will severely compromise the safety of drivers and pedestrians, especially school children. This house is two up from a busy roundabout and any amount of adjustments to development plans will not adequately address the safety concerns. On this basis we object to the development application. Thank you for considering this submission. Lee Purches
