Newport NSW 2106

RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096

As residents and business owners in the Northern Beaches, my husband and I are in support of this development. The design of the development is beautiful and will suit the aesthetic of the area. The development also provides much needed housing supply to the area and has lots of off-street parking. We hope that The Council approves this outstanding development.
