RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

Dear assessing officer,

The refreshment and upgrade of Newport Surf Club is one that is long over due.

How are we suppose to keep the younger generation engaged in this community environment when then there aren't the facilities to keep up with the change in demand.

This upgrade will not only allow the current members to patrol, compete and educate more efficiently it will draw in new members and help future proof the club for the next hundred years.
