**RE: DA2022/1649 - 10 Namona Street NORTH NARRABEEN NSW 2101**

I have been involved as a parent and volunteer at the Northern Beaches Indoor Sports Centre for 22 years. I do NOT believe any public consultation has been done with the Northern Beaches Users, players, volunteers, employees or parents. 4000 people enter that stadium per week via the carpark. Any building adjacent to this facility MUST have consultation with the users, so that a safe plan of how this will work must be done. If there is no consultation with the users of this facility this is impossible to achieve.
