**RE: DA2020/1434 - 4 - 6 Niangala Close BELROSE NSW 2085**

As a resident of the beaches I fully support this submission.

I have previously been involved with Cambridge Markets in another market DA application for the Northern Beaches that was not successful.

Based on those dealings I have no doubt that the markets will be run in a professional manner and their experience can only add to the market offering here on the beaches.

I look forward to visiting their new operations when approved and established.

Good luck.

Mark Slattery
