MR ALAN JOHNSON  
17 ABERNETHY ST  
SEAFORTH NSW 2092

**RE: DA2024/0870 - 22 Abernethy Street SEAFORTH NSW 2092**

I have no objection to the DA but note there are currently three other DAs lodged for the street, one of which is in progress now.

The street already has a heavy concentration of vehicle use, either for resident and visitor parking or visiting trades and services all of which depend on luck to find a space. Recent parking restrictions have highlighted the issue.

Could Council note the need for active traffic management and consider reposting the warning sign for large vehicles at the entry to Jenner St. It might be useful to budget for future road repairs following the completion of all the works.
