RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I believe that the Frenchs Forest Market should have the use of The Pittwater RSL Car Park for the Sunday market. It would be a great asset to the people of the northern beaches:-

- it enables people to have easy access to organic and fresh produce.
- it enables employment opportunities.
- it is a nice social environment and meeting place.
- it is open on Sundays enabling weekday workers to shop.
- the market has a longstanding good reputation.
- family and visitors have an enjoyable outing.

Thank you.
