RE: DA2019/1260 - 29 North Avalon Road AVALON BEACH NSW 2107

Having viewed the planning application for this development I am totally against it being approved. North Avalon has a special appeal to the local residents and this development is totally out of character for this area. There is also a major traffic problem on that road already with the kindergarten and local shops close by making it quite dangerous for traffic and pedestrians alike. The school drop off period in the morning creates a bank of traffic a long way up North Avalon Road with cars trying to enter Barrenjoey Road and this development would exacerbate that problem.
