RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

To my knowledge this is the 3rd attempt to gain approval for this communications tower at this location. Each time there has been overwhelming public opposition to the proposal. The opinions of the residents have not changed, in fact the opposition to building on open public recreational space has grown. We value our beautiful beach neighbourhood environment and want to keep these valuable green spaces as natural and untouched as possible. People come from far and wide to experience the fields, sand dunes, dog park and beach at North Curl Curl. No one wants a communications tower built in this place. We came to live here for the environment that the area offers, a natural environment, please decline this development application.
