Subject: Amended plans for DA 2020/1027

Dear Sir/Madam,

I am a resident of Stuart Street, Little Manly and I am very concerned about the application to amend the development approval for the Kiosk at Little Manly. Specifically, I object to the proposal to extend trading hours to 10 pm. If this is a restaurant it will take some time for people to move on after it closes. This is a residential area and many residents have to rise early in the morning. The noise from the restaurant and the park carry clearly up the hill and into our bedrooms. I note that The Boathouse at Shelley Beach closes at 9pm. There are plenty of late night venues in the wharf/corso area to satisfy late night diners.

Yours faithfully.

Robert Lee

5/59 Stuart St

Manly
