RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

I'd like to object to the proposal for a bus depot development in Jubilee Ave, Warriewood. The traffic is already unbearable in the area, particularly in peak periods. I think it would cause a lot of disruption to have buses trying to get in and out of there. The road is reasonably narrow, the land is not terribly big and we already have Blackmores, the RSL traffic plus all the 'shortcutters' using that road. Please use some common sense and knock this proposal back.
Thank You, fiona
