RE: DA2020/1397 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I am strongly opposed to the Application for a childcare centre at 16 Bangaroo Street, North Balgowlah.

There are several reasons for this objection being:

1. There is currently insufficient off street parking for the residents of the street, the increase of 24 additional cars requiring parking would create significant problems.
2. Bangaroo Street is a busy street with buses frequenting the street in the morning and afternoons / evenings. The street is busy and often dangerous with congestion at these times and reversing out of driveways is extremely hazardous.
3. The additional traffic, noise and congestion that this childcare centre would create would significantly impact this already busy "residential" area.
