**RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107**

Please do not allow this concrete mass to replace the existing bush land that is home to many native animals that are struggling to find a home in a place that once was abundant with trees and foliage . In the 40 years I've lived here I've seen many large decadent dwellings erected in areas that were once filled with trees and wildlife . Bilgola bends was the green gateway to paradise and the very reason why so many people want to visit the area .Everyone has a right to want to keep this special place natural and beautiful not another man made eyesore .
