RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

Dear assessing officer / I would like to express our family support for the submission for the Barrenjoey Boatshed change of hours. It in our view the Boatshed is an important local amenity for our whole family. The ability for the restaurant to trade at night will be an excellent addition to the choices we have for food and beverage venues on between Avalon and Palm Beach. Barrenjoey Boatshed is the most iconic venue in Pittwater will ample parking and a thoughtful rebuild which has already improved the facility for the community.

I also applaud the owners and council's commitment towards the respectful development to date of this important local assets and its commitment to the urban night sky guidelines.

Thank you
