## ENVIRONMENTAL PLANNING AND ASSESSMENT ACT, 1979 (EPAA)

The relevant matters for consideration under the Environmental Planning and Assessment Act, 1979, are:

The application has been assessed in accordance with the requirements of the Environmental Planning and Assessment Act 1979 and the associated Regulations. In this regard:

- An assessment report and recommendation has been prepared and is attached taking into all relevant provisions of the Environmental Planning and Assessment Act 1979 and associated regulations;
- A site inspection was conducted and consideration has been given to the impacts of the development upon all lands whether nearby, adjoining or at a distance;
- Consideration was given to all documentation provided (up to the time of determination) by the applicant, persons who have made submissions regarding the application and any advice given by relevant Council / Government / Authority Officers on the proposal;

In this regard, the consideration of the application adopts the previous assessment detailed in the Assessment Report for DA2021/0433, in full, with amendments detailed and assessed as follows:

The relevant matters for consideration under Section 4.55(1A) of the Environmental Planning and Assessment Act, 1979, are:

Section 4.55(1A) - Other Modifications	Comments
A consent authority may, on application being made by the applicant or any other person entitled to act on a consent granted by the consent authority and subject to and in accordance with the regulations, modify the consent if:	
(a) it is satisfied that the proposed modification is of minimal environmental impact, and	<p><b>Yes</b></p> <p>The modification, as proposed in this application, is considered to be of minimal environmental impact for the following reasons:</p> <p>The original development application sought consent for alterations and additions to an existing dwelling, including demolition works and construction of a new double garage, ground and first floor additions, swimming pool, decking and associated landscaping and retaining walls.</p> <p>The proposed modification works do not alter any built form controls of the approved dwelling and are considered not to result in any adverse amenity impacts. As a result, the spatial relationship of the proposed works to adjoining properties is adequately maintained with a complimentary and compatible streetscape presentation.</p> <p>As the proposed modification is not considered to increase the scope of the works to an extent that an unreasonable adverse impact will be incurred to the amenity or desired future character of the locality, Council can be satisfied that the modified works are of minimal environmental impact.</p>
(b) it is satisfied that the development to which the consent as modified relates is substantially the same development as the development for which consent was originally granted and before that consent as originally granted was modified (if at all), and	<p>The development, as proposed, has been found to be such that Council is satisfied that the proposed works are substantially the same as those already approved under DA2021/0433 for the following reasons:</p> <p>The original development application sought consent for alterations and additions to an existing dwelling, including demolition works and construction of a new double garage, ground and first floor additions, swimming pool, decking and associated landscaping and retaining walls.</p> <p>As the proposed modification is not considered to increase the scope of the works to an extent that an unreasonable adverse impact will be incurred to the amenity or desired future character of the locality, Council is satisfied that the proposed works are substantially the same as those already approved under DA2021/0433.</p>
(c) it has notified the application in accordance with:	The application has been publicly exhibited in accordance with the Environmental Planning and Assessment Act 1979, Environmental Planning and

Section 4.55(1A) - Other Modifications	Comments
(i) the regulations, if the regulations so require,  or  (ii) a development control plan, if the consent authority is a council that has made a development control plan under section 72 that requires the notification or advertising of applications for modification of a development consent, and	Assessment Regulation 2000, and the Northern Beaches Community Participation Plan.
(d) it has considered any submissions made concerning the proposed modification within any period prescribed by the regulations or provided by the development control plan, as the case may be.	No submissions were received in relation to this application.

#### Section 4.15 Assessment

In accordance with Section 4.55 (3) of the Environmental Planning and Assessment Act 1979, in determining an modification application made under Section 4.55 the consent authority must take into consideration such of the matters referred to in section 4.15 (1) as are of relevance to the development the subject of the application.

## EXISTING USE RIGHTS

Existing Use Rights are not applicable to this application.

## BUSHFIRE PRONE LAND

The site is classified as bush fire prone land. Section 4.14 of the Environmental Planning and Assessment Act 1979 requires Council to be satisfied that the development conforms to the specifications and requirements of the version (as prescribed by the regulations) of the document entitled Planning for Bush Fire Protection.

A Bush Fire Report was submitted with the original application (DA2021/0433) that included a certificate (prepared by Building Code & Bushfire Hazard Solutions Pty Limited, dated 5 February 2021) stating that the development conforms to the relevant specifications and requirements within Planning for Bush Fire Protection. The recommendations of the Bush Fire Report and associated conditions remain relevant to this modification application.

## NOTIFICATION & SUBMISSIONS RECEIVED

The subject development application has been publicly exhibited from 13/09/2021 to 27/09/2021 in accordance with the Environmental Planning and Assessment Act 1979, Environmental Planning and Assessment Regulation 2000 and the Community Participation Plan.

As a result of the public exhibition of the application Council received no submissions.
