RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

Hello,

The appearance and scale of this development is WAY out of character for whale beach. Would look more at home in Dee why or manly. It would damage whale beach irreversibly, it's a hunk of concrete and quite ugly. The nerve calling it a community centre? Avalon has a lovely community centre with a library, sporting courts this is obviously purely commercial. I urge you to reject this application.
