RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

I am writing to comment on the proposed development next to Barrenjoey House in palm beach. I feel it is too large and not in keeping with the area. I often go up there for use of ferry and for fish and chips with the family. It's so peaceful and relaxed. But parking is really an issue already. I would prefer something more in keeping with the size of Barrenjoey House and the area in general. I do not find the design attractive and feel it is lazy architecture. Keep it small clever bold and modern is ok but interesting. Kind regards Therese Coleman
