RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108

We would very much support the new venue The Joey to be able to offer dinner services, as we could think of nothing better than having dinner on their deck over the water at sunset. The top end of the peninsula needs more restaurant venues as there are to few currently open for dinner.

The location is perfect for such hospitality service.

We strongly support their approval to trade during dinner hours, and look forward to dining there.

Steve and Amanda Howe
