RE: DA2022/2081 - 292 Condamine Street NORTH MANLY NSW 2100

Having lived in the area for my whole life, I have played cricket and football at Nolans Reserve when I was younger. Squash and more recently tennis at the squash and Tennis Centre.

I am now a member at Warringah Golf Club and play twice a week with friends, many of whom I also went to school with and played in similar local team events that the area offers.

I feel the proposed development will be a timely opportunity to amalgamate a regional sport, community and social centre where more recently of these activities have struggled or failed entirely on their own.
