**Subject:** DA2025/0132 OBJECTION to McDonalds Proposal

Dear Northern Beaches Council

I absolutely cannot believe that this is even a proposal. It is absolutely ludicrous. I live just off Roseberry street and already the traffic is bad. I totally OBJECT.

Plus there will be more noise and air pollution which is unacceptable at any time of day. 24 hours is even worse! This is mostly a residential area and it is absolutely not ok to have a McDonalds built there.

For everyone's health and wellbeing - we need less fast food and more healthy options.

Please, I'm begging you not to let this happen. It just cannot.

kind regards  
Bridget Sheehan
