Hi,

To whom it may concern.

I am in full support of a much needed facility like this on the beaches. My mother lives at 920 Barrenjoey Road, My Brother and his family live on Careel Head Road – frankly there is limited facilities available in the postcode. Not only does its presence and availability provide social infrastructure for the community and its constituents to interact and live (addressing/ preventing a lot of expensive mental health issues associated with isolation), it also provides an opportunity for our younger constituents to earn a living.

Additionally processes inhibiting the free will of people, and rights to trade are appalling, and I find this process an abomination. The voice of 1 or 2 cranky constituents, who deliver NOTHING to the local community- is no reason to stop this, progress or human endeavor.
