Subject: MOD2023/0684 'The Joey '

Dear Mayor,

I write in support of the 'boathouse' now known as The Joey remaining open at night.

Dunes has night dining as does The Golf Club . Barrenjoey House and Jonahs.

The Joey is isolated and I don't believe there is any valid reason Council can not allow private enterprise and employment to flourish.

The Joey is a 'community centre',

it's an old legend. We love the place and want night dining .

As ratepayers we require a say.

Parochial and selfish attitudes of some cannot spoil it for all of us!

Yours sincerely ,

Tina HODGKINSON
