RE: DA2019/1533 - 48 - 50 Darley Road MANLY NSW 2095

I would like to ask for some clarification on the works. No internal plans are lodged and it would appear that no internal changes are to be made, simply repairing existing. Is this correct? Secondly, the North East Elevation clearly shows the upper balconies being open and not converted into bedrooms. As per google street view which also clearly shows the open balconies, at present the old bay windows to the main bedrooms have been painted out and windows installed on the balconies to create bedrooms. Are these to be removed?
Best Regards, Heather Prince.
