RE: DA2020/0442 - 231 Whale Beach Road WHALE BEACH NSW 2107

I wish to reject the current plans for the development of 231 Whale Beach Rd, Whale Beach. I feel strongly that it doesn't support the village atmosphere of Whale Beach. This area has a charming beach side character where the locals and visitors mix together. The new development looks and feels more like a Civic Centre which isn't at all conducive to beach side socialising. Please don't create another lifeless retail precinct which is what happened in Palm Beach.
