RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

To the assessing officer.

I am writing to express my support in the Manly Boatshed DA application.

As a local resident with a young family of 3 children, I strongly believe that this DA is not only a fantastic proposal to upgrade the existing rundown boat shed, but also we very much need this. The area is blessed with such natural beauty on our doorstep however we are lacking in the facilities and amenities to really enjoy it to its full potential (particularly around this area). It can only be a win win scenario for the community by replacing an industrial working slipway with a community friendly place that encourages low impact activities such as sailing, kayaking among other things. And a coffee stop whilst walking into Manly is an added bonus.

The fact that the DA proposal is from a young family who also live there means they have our community interests at heart.

Regards,

Louis Molines
