**RE: DA2021/1311 - 1031 Barrenjoey Road PALM BEACH NSW 2108**

I am a local and have friends and family who live in close proximity of the cafe. I believe the cafe is an asset to palm beach and I'm not opposing to it trading as it currently is, however I do believe that extending these hours will cause un necessary noise and additional parking problems. I personally visit palm beach most weekends and almost daily to see family, parking near the cafe is limited and I believe extending the hours will only make it harder.
