RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I am

Concerned over the vehicle access that is required from Robertson road
The village feel of Newport will forever be changed if this development is allowed to
happen. Robertson road provides an area for community markets, food stalls and entertainment
and creates a village atmosphere
This area will never be able to be closed if vehicle access for this development is approved
