RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I object to the development proposal. The development does not comply with the Plan of Management for John Fisher Park. This is a sensitive environmental area. The case hasn't been made by the private operator to warrant a new phone tower on public land and the development will be over 25m high and the application includes "associated equipment" which means more infrastructure can be built at the bottom of the facility.
