**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Dear Madam, Sir

I am in total agreement about the food market being established on the week end at Mona Vale. Being from overseas I love the market feel and the ability to buy fresh, organic food that haven' t been kept for weeks in cold storage! It is a whole experience that goes beyond just buying food, one is able to buy coffee, have a small snack, look at some clothes etc...this is like it is in Europe and it brings communities together. I absolutely love it and I wish there were more of them!!!

Thank you.

Kind Regards
