**Subject:** DA2020/1233- Harbord Diggers Bowling Green

I would like to offer my support for the building of the bowling green at the Harbord Diggers. Having been a bowler in my early 20s (at Harbord Diggers Bowling Club) and a current member of Harbord Diggers, I am now reaching a stage in my life where I would like to return to bowling. It is such a lovely game for people of all ages. Great for the mental and physical benefits it offers. It is especially important for our older community members to have a local club offering social connections through physical activity outdoors. Throughout history, the Diggers Club in Freshwater has always had bowling greens so it would be fabulous if bowling could commence there once again.

Kind regards
