**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

I am opposed to this DA. A mobile phone tower should not be allowed here. It is too close to the school, will negatively impact wildlife at the fragile wetlands and as the area is used by thousands of people for a range of sporting events the emissions of electromagnetic radiation can only be a bad thing.

There has never been a complaint about poor mobile phone reception by anyone, it is not needed.
