RE: DA2023/1395 1012 Pittwater Road COLLARROY NSW 2097

I strongly object to the proposed construction of an open area roof top terrace as this will increase the unwanted additional neighbourhood noise in the area. Additionally, the proposed height and the setback of the rear boundary should be equivalent to the existing unit building known as 1000-1008 Pittwater Road. Finally, the number of new dwellings will increase the number of vehicles on the road and on road parking This will make the location unsustainable to the road network.
