RE: DA2021/1805 - 4 Alexander Street COLLARROY NSW 2097

This apartment complex is exactly the type of stylish residence needed in this central part of Collaroy. These beautiful, large, modern apartments will attract adults over 55 years of age, with a high disposable income, which will support our local restaurants, cafes, hotels and retail outlets.

I wholeheartedly support this proposal and hope to see the project come to fruition, to enhance an area which I have lived in almost all of my 63 years!
