Good evening Northern Beaches Council,

I am writing to express my strong support for Lot 12 DP 249310. Cricket is a popular sport on the northern beaches and this all weather indoor facility will further support not just the existing cricketing community, but will improve access, enabling more people to participate in cricket. This will contribute to the health and well-being of the community as a whole.

This facility will create another excellent community hub for people to come together and connect through sport, while adding to the Northern Beaches strong cricket record with all local clubs. This facility when benefit all cricketers on the Northern beaches and provide a foundation for the next generation of superstars.

I strongly support this DA and hope that the many benefits it will bring to the community will be enough to ensure its approval.

Kind Regards,

Jayden Kennedy [REDACTED]
